Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Professional Society of ADHD & Related Disorders. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163
Professions in scope for this activity are listed below.

Physicians

Amedco LLC designates this live activity for a maximum of 17.0 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Amedco LLC designates this activity for a maximum of 17.0 ANCC contact hours.

Psychologists

This course is co-sponsored by Amedco and American Professional Society of ADHD & Related Disorders. Amedco is approved by the American Psychological Association to sponsor continuing education for psychologists. Amedco maintains responsibility for this program and content. Maximum of 17.0 hours.

The following state boards accept courses from APA providers for Psychologists/Counselors: AK, AR, AZ, CA, CO, CT, DC, DE, FL, GA, HI, IA, ID, IL, IN, KS, KY, MA, MD, ME, MN, MO, NC, ND, NH, NE, NJ, NM, NV, OH, OK*, OR, PA, RI, SC, SD, TN, TX, UT, VA, WA, WI, WY

MA: Accepts APA for all classes of psychology license; does not accept APA for licensed counselors (LMHC, LEP, LMFT, etc.).

MI: Accepts courses from APA for Psychologists. No general CE requirement for Counselors.

OK: Accepts APA credit for live, in-person activities but not for ethics and/or online courses.

The following state boards accept courses from APA providers for MFTs: AK, AR, AZ, CA, CO, CT, DE, FL, GA, IA, ID, IN, KS, MD, ME, MO, NE, NC, NH, NJ, NM, NV, OH, OK*, OR, PA, RI, SC, SD, TN, TX, UT, VA, WA, WDC, WI, WY

AL MFTs: Credits authorized by NBCC or any other state licensing agency will be accepted.

MA MFTs: Participants can self-submit courses not approved by the MAMFT board for review.

MI MFTs: There are no CE requirements for MFTs in MI.

The following state boards accept courses from APA providers for Addictions Professionals: AK, AR, CO, CT, DC, DE, GA, IA, IN, KS, LA, MD, MO, MT, NC, ND, NE, NJ, NM, NY (held outside NY ONLY), OK*, OR, SC, UT, WA, WI, WY

The following state boards accept courses from APA providers for Social Workers: AK, AR, AZ, CA, CO, DE, FL, GA, ID, IN, KY, ME, MN, MO, NE, NH, NM, OR, PA, VT, WI, WY

Social Workers

As a Jointly Accredited Organization, Amedco is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Amedco maintains responsibility for this course. ASWB Content Level: Intermediate. Social workers completing this course receive up to 17.0 continuing education credits.

The following state boards accept courses offering ASWB ACE credit for Social Workers: AK, AL, AR, AZ, CA, CO, CT, DC, DE, FL, GA, HI, ID, IL, IN, IA, KS, KY, LA, ME, MD, MA, MI, MN, MS, MO, MT, NC, ND, NE, NH, NM, NJ, NV, OH, OK*, OR, PA, RI, SC, SD, TN, TX, UT, VT, VA, WA, WI, WV*, WY
OK: Accepts ASWB ACE for live, in-person activities but not for ethics and/or online courses.

WV: Accepts ASWB ACE unless activity is held live in West Virginia.

The following state boards accept courses offering ASWB ACE credit for Counselors: AK, AR, AZ, CA, CO, CT, DC, FL, GA, IA, ID, IL, IN, KS, MA (LEP ONLY), MD, ME, MO, ND, NE, NM, NH, NV, OK*, OR, PA, TN, TX, UT, VA, WI, WY

MI: No CE requirement for licensed counselors.

The following state boards accept courses offering ASWB ACE credit for MFTs: AK, AR, AZ, CA, CO, FL, IA, ID, IN, KS, MD, ME, MO, NC, NE, NH, NM, NV, OK*, OR, PA, RI, TN, TX, UT, VA, WI, WY

AL MFTs: Credits authorized by NBCC or any other state licensing agency will be accepted.

MA MFTs: Participants can self-submit courses not approved by the MAMFT board for review.

MI: No CE for requirement for licensed MFTs.

The following state boards accept ASWB ACE credit for Addictions Professionals: AK, CA, CO, CT, GA, IA, IN, KS, LA, MO, MT, ND, NM, NV, OK, OR, SC, WA, WI, WV, WY

Nurse Practitioners

The American Association of Nurse Practitioners (AANP) recognizes the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC) as approved accreditors and allow reciprocity for AANPCP continuing education credit. Up to 17.0 hours.

New York Psychologists

Amedco is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists #PSY-0031. 17.0 hours.

Physician Assistants

The National Commission on Certification of Physician Assistants (NCCPA) states that *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification for PAs.

Amedco LLC designates this live activity for a maximum of 17.0 *AMA PRA Category 1 Credits™*. PAs should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Enhance the diagnosis and treatment (both pharmacological and psychosocial) of ADHD and related disorders across multiple healthcare settings and diverse populations.
2. Gain awareness of how neurodiversity, social media and life style factors impact the course and treatment of ADHD.
3. Understand new advances in the understanding of the etiology of ADHD and related disorders.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed below.

2026 APSARD Program Committee

Brooke Molina

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have over 30 years of experience conducting research in topics related to this meeting--specifically ADHD course and treatment.

What is Your Profession?

Professor of psychiatry; clinical psychologist

Anne Arnett

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have 15 years conducting federally funded research on ADHD, using neuroimaging, genetic and neuropsychological methods.

What is Your Profession?

Psychologist

Ann Childress

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have completed approximately 200 trials with ADHD treatments (medications and devices) and have authored more than 100 publications on ADHD.

What is Your Profession?

Psychiatrist

Greg Mattingly

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

30 years of clinical experience and a PI in >400 trials

What is Your Profession?

MD

John Mitchell

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have over 20 years experience doing research on ADHD, plus I'm a member of the APSARD Program Planning Committee

What is Your Profession?

Associate professor/clinical psychologist

Jeffrey Newcorn

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have over 35 years as a researcher in the areas of ADHD and related disorders.

What is Your Profession?

Physician – psychiatrist

Steven Pliszka

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

30 years experience in clinical research in ADHD, authored two books on diagnosis and treatment of ADHD

What is Your Profession?

Child Psychiatrist

Margaret Sibley

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have been conducting research on ADHD for nearly 20 years with over 120 scholarly publications on the topic.

What is Your Profession?

Professor of Psychiatry

Julie Schweitzer

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

Psychologist, professor

What is Your Profession?

I have over 25 years of experience conducting research in ADHD, particularly in translational research. I am a successful NIH funded researcher and frequent reviewer, which broadens my experience. My research experience qualifies me to contribute, help plan and review abstracts for APSARD.

Mariely Hernandez

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

Clinical Psychologist

What is Your Profession?

I have years of research and clinical experience in diagnostic evaluations of children, adults, and older adults. My research and clinical specialties are ADHD and addictions. However, I also have a research background in affective disorders and related comorbidities. I recently completed a postdoctoral research fellowship in Substance Use Disorders, which included 2 years of clinical work at a gambling disorders clinic. Currently I am in private practice and engaged in research collaborations (papers) and academic service (teaching).

Douglas Russell

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

Child and Adolescent Psychiatrist

What is Your Profession?

I have 9 years of professional experience as a child and adolescent psychiatrist, and 7 years of experience working in an ADHD specialty clinic. My research interests include the diagnosis and treatment of ADHD, complementary and integrative medicine, integrated care, and prevention/health promotion. My experience qualifies me to contribute to, and help plan, the scientific content for the APSARD annual meeting.

Stephen Becker

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I obtained my PhD in Clinical Psychology over a decade ago, and since that time have led a federally-funded research program focused on ADHD. I have particular expertise on ADHD in children and adolescents, with a focus on frequently co-occurring conditions such as sleep, internalizing difficulties, and cognitive disengagement syndrome. I have published 250+ papers on these and related topics. I currently Co-Direct the Center for ADHD at Cincinnati Children's Hospital Medical Center, a large center with clinical and research activities to understand and improve the lives of youth with ADHD and their families. My experiences and expertise qualify me to contribute to and help plan the content of the 2026 APSARD conference.

What is Your Profession?

Clinical Psychologist, Professor of Pediatrics, Researcher

John Ringhisen

Tell us, in your opinion, what qualifies you to choose the topics for this activity, judge the relevance of content for the healthcare team, and the scientific validity of content in this activity.

I have five years of experience as a psychiatric provider and educator. I have one year of experience operating an ADHD specialty clinic. I have four years of experience operating a large (18 providers) psychiatric out patient clinic. I have been a member and recently appointed Chair of the Medication Sub-Committee for APSARD's National Guidelines on Adult ADHD

What is Your Profession?

Psychiatric Nurse Practitioner

How to Get Your Certificate
